FROM: Frank J. Filas, Reclamation Engineer 

RE: Site Inspection, DOE/O19/O11, ⁰⁴Lynise #3

On October 7, 1987, I inspected Buttes Resources Company's 1980 DOE from the canyon rim above. It appears that a two-acre area was stripped on the side of the canyon and then regraded afterwards.

A nice job was done, and it is recommended that this file be retired.
